

Strings Pulled Tight on Your EIA?

Not With MarkOneSM!

Most EIAs restrict confinement waivers. They also have strict limitations on transfers from one strategy to another. Nearly all of them charge back commissions upon death or surrender in the first year. Not the MarkOne^{SM*} Series equity index annuities! Why sell a stingy annuity?

The MarkOneSM Series Liberty in Every Contract

MarkOneSM Series equity index flexible premium deferred annuities are issued by Investors Insurance Corporation, Jacksonville, FL; products are distributed and administered by Legacy Marketing Group.

FOR BROKER USE ONLY. Not approved for use with the general public for the purchase of annuity or insurance coverage.

* Products may not be available in all jurisdictions. See State Approval Matrix.
